

Identity[™]

Aspiration Catheter

CE
0459

***Reliable solution
for thrombus
aspiration***

**Guiding catheter
compatibility**

Identity 6F | Identity 7F

Optimized tip design

Smooth tip designed to increase deliverability

Optimal trackability

Unique hydrophilic coating on the tip & shaft

Excellent pushability

With an innovative shaft

Kink resistance

Specifically designed for aspiration catheter

With stylet (removable core wire)

Catheter length: 145 cm

Rapid exchange length: 25 cm
